

Sparkman 9th Grade School

Summer Credit Advancement 2017

Madison County Schools along with Sparkman 9th Grade School is glad to announce a unique opportunity for students in the surrounding area to earn credits during June 2017. Many times students have a difficult time finding the right combination to take Drivers Ed and/or Health during the typical school year. While Drivers Ed is not required Health is a requirement for graduation.

Host School: Sparkman 9th Grade School

Registration: June 1st and 2nd, 8:00-3:00

Below you may choose from 3 options:

_____ Option #1 – Drivers Education Only, \$120/\$145-out of district

_____ Option #2 – Drivers Education plus Health, \$240, \$290-out of district

_____ Option #3 – Health Only, \$120, \$145-out of district

Please review guidelines based on the option chosen.

Drivers Education -

- One session
- limited to 45 students (priority given to MCSS students)
- June 5th – June 30th
- \$120/\$145 for out of district

Health-

- Primarily for Madison County Students (for students outside MCSS you must obtain prior permission from home district)
- Course is self-paced and online through PLATO, there is no face to face instruction
- Unlimited number of participants
- \$120/\$145-for out of district
- Satisfies Health requirement for graduation in Alabama
- Unit Test must be taken on campus – dates for testing will be each Tuesday and Thursday in June, starting June 8 from 10:00–12:00 on S9 campus (last testing date will be June 30)
- Final Health grade will be the average of all assessments
- Students that are only taking Health must attend an orientation on Monday, June 5th from 10:00-11:00
